

WCA Hikes Lake County!

When your family goes for a hike, let us know! You can turn it in paper form using the slips below or you can also update your miles in the Westlake App.

Remember that there will be a prize for the grades and families who have the most miles! Each Forest Preserve only counts once for each grade and for your family.

Please cut off and return one slip per hike to your child's teacher, or to Mrs. O'Malley. We will be calculating results weekly, so please submit as soon as you complete each hike. The final submission deadline is November 30th.

Date of the hike: _____ Forest Preserve: _____
Names & grades of students hiking: _____ _____
Total number of hikers (include parents and siblings): _____ Mileage hiked: _____
